Stock-Exchange Notification No. 2-2004

To the Copenhagen Stock Exchange via Stock Wise

Director Knud Kurtzmann has announced his wish to retire from his position in the company at the end of September 2004 in connection with his 60 years' birthday.

Knud Kurtzmann has been employed with Roblon A/S since 1969, and in 1978 he established the division Roblon Engineering in Sæby taking up the position as director.

More than anyone, Knud Kurtzmann has taken charge of the development of Roblon Engineering, which has been one of the leading companies in the world with regard to development, production and sales of rope-making machinery.

As from October 2004, the management of the company consists of Managing Director Flemming K. Bertelsen.
